OPENING TIME AGAIN

Yes, September is here again and it is time to open the Children's Society boxes. I will be in touch to collect your box or, if you prefer, you can drop it in to The Old Post Office on the Green at Boughton Lees. If anyone else would like to support this old established and very well regarded charity for young people please ask me for a box. It is a very good way of getting rid of that cumbersome small change. This is not confined to Boughton Aluph, incidentally, but open to all the Benefice.
