A NEIGHBOURHOOD PLAN FOR BOUGHTON ALUPH, EASTWELL & GOAT LEES

From the outset I have been an enthusiastic supporter of the value of our parish creating its own Neighbourhood Plan. This process gives us, the communities of Goat Lees, Sandyhurst Lane and Lenacre Street and those in and around Boughton Aluph, the opportunity to come together to help shape and guide the future development and land use in our parish over the next fifteen years. This is not just about the future but preserving and protecting what we value from the past. We have so much to be proud of.

The Parish Council have set up a project steering group comprising local volunteers to take forward the day to day work on the Neighbourhood Plan but the project cannot succeed without the support and input of whole community. We need you to tell us what you think should be covered in our Neighbourhood Plan. Our first consultation events will take place in September. They are drop in events so you can call in at a time to suit you. Everyone is welcome so please help us to spread the word. We want your opinions. This is your chance to make your voice heard.

Thursday 17th September, 7pm to 9pm, at Goat Lees Primary School
Friday 18th September, 7pm to 9pm, at Goat Lees

Community Hall Saturday 19th September, 11am to 2pm, at the Iron Room, Boughton Aluph
Sunday 27th September, 11am to 4pm, at Sandyacres, Sandyhurst Lane. Please also visit our new website, www.parishplan.uk. As well as useful background information, it will show our progress at every stage. You can add your comments to the website and I hope, over time, it will host some lively public debates. We are also on Twitter and Facebook.

Preparing a Neighbourhood Plan is a significant piece of work. We have made a good start but we will need more volunteers to help get us across the finishing line. We want to draw on the wealth of talent out there in our community. Whatever skills you have or free time you can give, we'd love to have you on our team. By harnessing the wealth of talent within our community, I believe we can produce a Neighbourhood Plan of which we can all be proud and, in doing so, build a strong community spirit and sense of neighbourliness and togetherness throughout our parish.

Jason Matthews

Chair of Boughton Aluph & Eastwell Parish Council

BOUGHTON WITH EASTWELL GARDENING CLUB

The Club meet on Friday 21st August, 2pm at the lovely garden at Tram Hatch. The trip will cost £8 to include entrance to the garden and tea or coffee. Members will make their own way by car and lifts may be arranged.
