Boughton Aluph and Eastwell Neighbourhood Plan Examiner's Report

Ashford Borough Council appointed Mr. Derek Stebbing as the Independent Examiner of the Boughton Aluph and Eastwell Neighbourhood Plan.

The Examiner assessed whether the BAENP meets certain legal requirements, known as the 'basic conditions' as well as giving consideration to representations made on the draft RNP.

The Council has received the Examiner's Report which recommended that, subject to certain modifications, the plan can proceed to referendum.

Regulation 18 - Council's Decision Statement

Ashford Borough Council has now considered the contents of the Examiner's Report and have prepared a 'Decision Statement' setting out the actions to be taken in response to the recommendations of the Examiner.

The Decision Statement confirms that the Boughton Aluph and Eastwell Neighbourhood Plan, with modifications, can proceed to referendum.
